

WAJID ULLAH

HSE OFFICER | NEBOSH CERTIFIED | CONSTRUCTION SAFETY PROFESSIONAL

Saudi Arabia • +966 539159417 • wajidullahhse@gmail.com

PROFESSIONAL PROFILE

Dedicated and NEBOSH-certified HSE Officer with over 5 years of experience in building construction, infrastructure, and industrial projects across Saudi Arabia and Pakistan. Skilled in implementing Health, Safety, and Environmental (HSE) management systems, conducting risk assessments, Permit to Work (PTW) implementation, work-at-height monitoring, scaffolding inspections, lifting operations, excavation safety, and confined space monitoring, alongside daily site safety inspections.

Proven ability to identify hazards, implement effective corrective actions, conduct toolbox talks, investigate incidents, close out safety observations, and ensure compliance with company procedures and international safety standards. Strong communicator and team leader committed to achieving Zero Harm and maintaining a positive safety culture.

PROFESSIONAL EXPERIENCE

HSE Officer

Oct 2023 – Present

Asloob Bedaa Contracting Company — Diriyah Gate Development Authority (DGDA), Package 2, 3 & 6 | Riyadh, Saudi Arabia

- Conduct daily HSE inspections to identify unsafe acts and unsafe conditions on site.
- Deliver daily Toolbox Talks (TBTs), pre-task briefings, and safety inductions for the workforce and new starters.
- Prepare, review, and monitor Permit to Work (PTW) activities across all site operations.
- Inspect scaffolding, work at height, steel fixing, concrete casting, formwork, housekeeping, excavation, and lifting activities.
- Monitor workforce compliance with PPE requirements and company HSE procedures.
- Coordinated with Salini (Main Contractor) to close HSE observations and implement corrective actions.
- Ensured compliance with AECOM consultant HSE requirements and DGDA project safety standards.
- Coordinate with supervisors, engineers, subcontractors, and consultants to close out HSE observations.
- Perform monthly inspections and colour coding of hand tools, power tools, full body harnesses, and fire extinguishers.
- Carry out risk assessments and recommend practical corrective actions.
- Ensure emergency equipment, fire extinguishers, and evacuation routes remain accessible at all times.
- Monitor housekeeping standards and material storage arrangements across the site.
- Participate in HSE meetings and prepare daily safety reports for management.
- Investigate near misses and unsafe conditions and implement preventive actions.

HSE Officer

Mar 2023 – Aug 2023

DP World Jeddah — Jeddah South Terminal Upgrade Stage 3 | Jeddah, Saudi Arabia

- Conducted daily site safety inspections and monitored compliance with port and terminal HSE procedures.
- Carried out risk assessments, PTW reviews, and toolbox talks for terminal upgrade works.
- Monitored lifting operations, mobile equipment safety, and housekeeping standards.
- Investigated incidents and near misses, and tracked corrective and preventive actions to close-out.

HSE Officer
